## Canva AI

The screenshot shows the Canva AI homepage. At the top, there is a navigation bar with the Canva logo, menu items for '設計焦點', '商業', '教育', '方案 and 定價', and '學習', and utility icons for mobile, settings, notifications, and a '建立設計' button. The main header area features the question '你今天要設計些什麼呢?' and a search bar. Below this is a row of icons for various design tools: '為你推薦', 'Docs', '白板', '簡報' (highlighted with a red box), '社群媒體', '影片', '印刷品', '網站', and '顯示更多'. A section titled '你可能會想嘗試...' displays five design templates: '設計出視覺化 Docs', '讓創意湧現', '簡報 (16:9)', '海報 (直式 - 42 x 59.4 公分)', and '文件'. Below this is a '最近的設計' section showing two recent projects: '商務計劃' and a portrait of a woman. On the left side, there is a sidebar with options like '個人', '試用 Pro 方案 30 天', '首頁', '魔法工作室', '專案', '範本', '品牌', '應用程式', '建立團隊', and '垃圾桶'. On the right side, there are buttons for '自訂尺寸' and '上傳', and a 'Inst' label.

The image shows a presentation software interface with a dark sidebar on the left and a main workspace on the right. The sidebar contains icons for '設計' (Design), '元素' (Elements), '文字' (Text), '品牌' (Brand), '上傳' (Upload), '繪圖' (Drawing), '專案' (Projects), and '應用程式' (Applications). The top navigation bar includes a search bar with the text '搜尋 簡報 版面配置' and icons for '動畫' (Animation), '位置' (Position), and a help icon. The main workspace displays a slide template with a light blue sky, white clouds, and green rolling hills. The text on the slide reads 'Title Page with Photo' in a large, bold font, with a subtitle 'Write a date or subtitle' below it. A small sheep icon is visible on the left side of the hills. The interface also features a '版面配置' (Layout) tab in the top navigation bar, a '搭配符合品牌的風格' (Match brand style) dropdown menu, and a bottom toolbar with a thumbnail of the current slide and a plus sign for adding new slides.
