The screenshot shows the Consensus search engine homepage. At the top, there's a navigation bar with a logo on the left and a user profile icon on the right. The main heading "Consensus" is centered, followed by the tagline "Find the best science, faster." Below this is a large search bar containing the text "生成式AI對於高等教育的影響". To the right of the search bar are toggle switches for "Synthesize" and "Copilot", a "Filter" button, and a search icon. At the bottom, there are three example search queries in rounded boxes: "Does creatine help build muscle?", "What are benefits of mindfulness?", and "Do direct cash transfers reduce poverty?".
