The image shows the Genmo AI website interface. At the top left is the Genmo logo. In the top right corner, there are navigation links: 'Create' followed by a right arrow, a video camera icon, and 'Video' followed by a right arrow. On the left side, there is a dark blue sidebar with a 'Videos' section containing a video camera icon and the text 'New! Genmo Replay'. The main content area has a dark blue background. At the top of this area is a badge that says 'New: Replay v0.2 model' with a right arrow. Below this is a large heading 'Magically make videos with AI'. Under the heading is a subtext: 'Meet Genmo: a free way to make videos from text or images, powered by AI'. Below the subtext is a large, rounded rectangular input field with the placeholder text 'Describe your video...'. At the bottom of the input field area, there is a row of icons and labels: a list icon, an 'Upload image' button with an image icon, a 'Camera motion' button with a camera icon, an 'FX' button with a target icon, and a 'Submit' button with a paper plane icon. At the very bottom of the page, there is a link 'About & FAQ' with a question mark icon, and a button 'Need ideas for a prompt?' with a video camera icon.
