The screenshot shows the Ideogram AI web interface. At the top, there's a navigation bar with the Ideogram logo, a search bar containing the prompt "An orange dragon standing in the snowy desert, wearing a scarf around", and buttons for "Generate", "Upgrade plan", a home icon, a notifications icon with a red "1", and a menu icon. Below the navigation bar, the text "Generation completed" is displayed. The main area shows four generated images of an orange dragon in a snowy desert, each holding a steaming mug and wearing a scarf. The first image is labeled "Cover". Below each image are three dots and a heart icon for interaction. A "Dismiss" link is visible in the top right corner of the image area.

The screenshot shows the Ideogram AI web interface. At the top, there's a navigation bar with the Ideogram logo, a prompt input field containing "An orange dragon standing in the snowy desert, wearing a scarf around", a "Generate" button, and links for "Upgrade plan", a home icon, a notifications bell with a red "1", and a menu icon. Below the prompt, it says "Generation completed". A row of four generated images is displayed, each with a "Cover" label and a heart icon. The images depict an orange dragon in a snowy desert setting, wearing a scarf and holding a cup of coffee. The text "WARM WINTER" is overlaid on each image in a 3D, blocky font.
