A screenshot of the ideogram interface. The prompt is: "An orange dragon standing in the snowy desert, wearing a scarf around its neck and holding a cup of hot coffee. A huge 3D word 'Warm winter' is placed in the middle." The settings panel on the right includes: Magic Prompt (Auto, On, Off), Aspect ratio (9:16, 1:1, 16:9), and Visibility (Public, Private). A 'Generate' button is at the bottom right. A generated image of the dragon is visible on the right side.

A huge 3D word "Warm winter" is placed in the middle.
