The screenshot shows the ideogram interface with a prompt box containing the text: "An orange dragon standing in the snowy desert, wearing a scarf around its neck and holding a cup of hot coffee. A huge 3D word 'Warm winter' is placed in the middle." Below the prompt are buttons for "photo", "illustration", "3d render", "typography", "cinematic", and "poster". To the right is a settings panel with "Magic Prompt" (On), "Aspect ratio" (16:9), and "Visibility" (Public). A "Generate" button is at the bottom right. A generated image of the dragon is visible on the right side.

A huge 3D word "Warm winter" is placed in the middle.
