- [Runway](#)

The image shows the landing page for Runway Gen-3 Alpha. The background is a dramatic, high-angle view of a mountain valley with steep, rocky cliffs and a winding river below. The Runway logo is in the top left corner. A navigation bar at the top contains links for RESEARCH, PRODUCT, STUDIOS, and COMPANY. A 'Get Started' button is in the top right. The main heading 'Introducing Gen-3 Alpha.' is centered in a large, white, serif font. Below it is the tagline 'A new frontier for fast, high-fidelity, controllable video generation.' in a smaller, white, sans-serif font. At the bottom, there are two buttons: 'Try Runway →' and 'Watch Demo', both in white text on dark, rounded rectangular backgrounds.

Your video is generating and will be done in a few minutes. Your export will be saved to the Generative Video folder in Dennis's Assets.

Tip: Experiment with filmic styles by trying phrases like "low contrast" or "muted colors."
